

Support at Home Pricing Schedule

This Schedule provides information on the price for common services you can access through a Home Care Package, Support at Home, NDIS and DVA Funded. The costs will be deducted from your overall package budget. There are many other services you can access through a Home Care Package that are not listed below. This may include home maintenance, aids or equipment which may form part of your Care Plan. Services delivered as part of your Care Plan are GST-free. For further information, please see the provider's full price list or contact the home care provider (details included below).

Care Management

Care management is a mandatory service that includes on-going care assessment, planning and coordination. This ensures the services you receive meet the needs and goals identified in your Care Plan. Every Home Care Package and support at home, including those being self-managed will require some level of care management.

Services	Service detail	Per Hour
Care Management	Activity relating to management of your care plan and Budget	\$110
Self-Management	Self-managed care plan and Services	10% (care plan and expenses)

Important Notes...

Consumable Supply: Medical consumables are not included in the above rates and may be charged separately.

Cancelled visits: Provide at least 48 hours of notice to cancel a scheduled service/s outside of an emergency (if you fail to provide notice, you will be charged for the full amount of the cancelled service. This charge also applies to clients who fail to be present for a scheduled service or activity).

Client to be home: The client must be present during service delivery unless specified in the Care Plan.

Minutes allowance: The client is to allow for 15–30 minutes on either side of service times to accommodate traffic and unforeseen circumstance
